

We had a very successful IBF-SRS Virtual Forum on 13th October 2021.

The primary purpose of this Forum was to provide relevant Training Opportunities for Remisiers to upskill themselves so as to be relevant in this fast changing financial landscape.

We would like to express our sincere thanks to the following partners :

1. Institute of Banking & Finance for putting up this informative programme. AB Maximus, our long time training partner for Remisiers, who had also provided some relevant Training Options.
2. The Employers : Phillip Securities Pte Ltd, OCBC Bank & OAC Singapore, who were willing to employ Remisiers with the relevant skill-sets as they can see the value of Remisiers who have accumulated a wealth of experience.
3. The Remisiers who were willing to explore the various training opportunities and to upskill themselves to provide value-added services to their clients.
