

Dear Fellow SRS Members,

The **Society of Remisier (Singapore) (SRS)** and the **Securities Association of Singapore (SAS)** are pleased to invite you to the exclusive launch of the **Remisier Development Programme (RDP)**.

This RDP programme is a concerted move by SRS and SAS, supported by MAS and SGX, to upskill the Remisier community to better support investors in capturing new investment opportunities, enhance client acquisition in the social media-centric era and add vibrancy to Singapore's capital markets.

SAS Chairman Luke Lim & I will be sharing our vision for the Remisier community and how we can continue to add value to our clients. This is followed by the sharing of Vanguard Remisier who have also keenly participated in shaping the Remisier Development Programme.

We'll have loads of fun connecting with fellow Remisiers with a sumptuous dinner hosted by the Singapore Exchange (SGX). We look forward to your company to enjoy the flowing Beer, Wine and Dinner of Classic Peranakan favorites such as Nonya Beef Rendang, Manis Laksa, Buah Keluak.
