

**Dear Fellow SRS Members,**

The FTSE STI index close on **28th January 2025 was 3,801.07** . The **1st Prize Winner, Mr Clement Wong from UOB Kay Hian** prediction was really really close and differentiated by mere decimal points. He was also our 1st Prize Winner last year & I must say that he's really an excellent predictor. Congratulations to him and the rest of the 9 Prize Winners as well.

A larger majority of the predictions were much more bullish but just like in the stock market, normally a smaller minority wins big. For transparency purposes, I'm pleased to attach herewith the Final Result List for your information.
