

Dear **SRS Members**,

We're pleased to broadcast SAC Capital Research to members for the very first time.

(See attached file: SAC Market Brief.pdf)

SAC Capital Singapore is an independent investment banking firm specializing in capital markets, corporate finance and advisory for Singapore-listed companies particularly for small to mid-cap companies offering services like IPO Sponsorship, Merger & Acquisition Fund Raising, Restructuring, Equity Research and Fund Management to help businesses grow for investors to make informed decisions.

We hope their Research Materials will help you and your clients make the necessary informed investment decisions.

Thank you.

Warmest regards,

S Nallakaruppan

President

The Society of Remisiers (Singapore)
