More than 620 guests attended the Society of Remisiers (Singapore) (SRS)'s 25th anniversary gala-cum-charity dinner held at the Marina Bay Sands on Nov 11.

All nine local securities companies were represented at the event. They were AmFraser Securities, DBS Vickers Securities, CIMB Securities, DMG & Partners, Kim Eng Securities, Lim & Tan Securities, OCBC Securities, Phillip Securities and UOB Kay Hian.

Among those present were Chew Sutat, executive vice-president and head of sales & clients, Singapore Exchange (SGX), who was also the guest of honour; Edmund Lee, chairman & CEO, DBS Vickers; Esmond Choo, chairman, Securities Association of Singapore; Sim Siang Choon, executive chairman, Loyz Energy; Lee Swee Keng, executive chairman, Zhongmin Baihui Retail group; and representatives from MAS, SGX, listed and non-listed companies.

The evening's programme began with a two-minute video presentation entitled "The Professional Remisier", which showcased the role played by the remisier in Singapore's securities market over the years. This was followed by performances by professional singers and dancers.

In his welcome address, SRS president Albert Fong reminisced about the society's ups and downs over the last quarter century. Fong also presented a cheque worth \$50,000 to Hwang Peng Yuan, vice-chairman of the Community Chest. The money was raised via the sale of corporate tables and donations from SRS's members.

The auction of three calligraphy art pieces donated by Johnny Quek of Dynasty Classic was held during the event.

All those present got a chance to win a Mercedes Benz E200 CGI Blue Efficiency in a commemorative gift game organised and sponsored by Singapore Pools.
