Loosen up fellas... the World Wide Web is not as tough as you think... it is worst, so please pay attention to the lecturer.

There you go my dear.. it is as easy as ABC. Let my hand guide yours thru the World of the Internet... Yahoo!

Ladies on the outside...men on the inside ... hip hop around the mulberry bush..

Wow... what a babe this Pamela Anderson and look at that body of hers... I am going to add her to my collections... same here... Albert.

Hey Jimmy why are you twiddling your thumb? ... when you should be handling your mouse...

But ... eh I am hurting my fingers too much already ... on the keyboard.

Can you hear me?... wzzzz wzzz.. heck #@&%# there goes that crazy loudspeaker again... wish they can do something about it...
