

Dear SRS Members,

We had a successful Durian Trip on 10th July 2022 (Sunday).

Altogether, 67 happy members & friends went for the trip. We had a good time & it was a fun & memorable trip. All participants were cooperative and the programme went on smoothly. Only towards the end of the trip, there was an incident at the Sutera Shopping Mall Car Park. The Coach collided with a Bus Stop while reversing, resulting in a punctured window. There was concern that some glass fragments could have entered two of the participants' eyes who were sitting next to the window. Fortunately, after a medical check-up in Singapore, they were certified to be fine.

All in all it was a great trip and some members were already looking forward to next year's Durian Trip. 😊
