B. Extraordinary General Meeting

We have taken feedback from members to spend more on them & as such we're proposing to revise the SRS Constitution to increase the Society's expenses from a maximum aggregate sum of S\$50,000 to S\$100,000 per financial year other than the necessary expenses incurred for the smooth administration of the Society. We've also done some other refinements to the SRS Constitution.

SRS Secretariat will send the revisions done to the SRS Constitution and the reasons for the revisions via email to members in August 2023.

The Extraordinary General Meeting will be held first followed by our National Day Dinner on 25 August 2023, Friday, 6.30 pm.

That's all for now. Please register for the Extraordinary General Meeting cum National Day Dinner as soon as possible.

Thank you.

Warmest regards,

S Nallakaruppan

President
