

Dear Fellow SRS Members,

We had a memorable time last week Friday and many members gave favourable feedback that the Penang Place Restaurant spread was really good and they had a great time interacting with fellow members.

I'm pleased to let you'll know that the memorable photos have been promptly uploaded to our SRS Website www.remisiers.org and our Facebook Page : **The Society of Remisiers - Singapore** .

Please Like, Comment & Share to facilitate the recruitment of more members and promote the interests of our society.

Thank you.

Best regards,

S Nallakaruppan

President
